

Section: Professional Employees
Title: Professional Growth Guidelines
Date Adopted:

1 433 . PROFESSIONAL GROWTH GUIDELINES

2 **1. Purpose**

3 Continued professional studies (and in-service training) are prerequisites for continued professional growth
4 and advanced ability to undertake increased responsibility. Therefore, these guidelines are established for
5 all professional personnel.

6

7 **2. Guidelines**

8 All professional employees are encouraged through graduate study, special study, or in-service training, to
9 further personal advancement in accordance with these guidelines.

10

11 Payment for credit for approved graduate study or special study shall be made on the basis of the rate
12 approved by the Board.

13

14 Documentary evidence of satisfactory completion of all study programs shall be required.
