"Providing our Community with Preschool, Before School and After School Care through 5th Grade!"
Preschool Programming

Monday - Friday
Preschool Program at
Curtisville Primary Center
9:00am - 3:00pm

Our Preschool Program at Curtisville Primary Center provides a safe and fun experience for preschool children preparing to go to kindergarten. Stepping Stones provides state approved early childhood education in an environment that fosters positive learning and socialization. The program offers children stimulating developmental growth opportunities using intentional teaching styles in a preschool education experience. Our teachers will work with you and your child in efforts to achieve "kindergarten readiness."

More About Stepping Stones

Stepping Stones Children's Center is a private, non-profit, 501(c)3 corporation established in 1979 to provide care and education for children and their families in northern Allegheny and southern Butler counties. The center is incorporated with a volunteer parent and community member Board of Directors.

The center's programs are implemented by trained, professional staff. The Executive Director is responsible for carrying out the overall mission of Stepping Stones Children's Center, implementing Board actions, updating Board and general administrative functions. The Site Directors manage the overall daily operations of the center's programs. Group Supervisors are responsible for planning and implementing program activities as well as maintaining open parent-teacher communication. Assistants and Aids assist in the planning and implementations of various program activities.

Vision Statement

Stepping Stones Children's Center, Inc., will strive to be an organization that exemplifies growth and opportunity for children, their families, and our community at large by providing the following:

- A future that is brighter, safer, and more productive for children
- More effective networking among community organizations
- Wider understanding of the needs of children and families
- Early identification and intervention for children with special needs
- Secure jobs for child care workers in a supportive working environment
- A stronger and more stable local economy

Welcome to our family!

"Our three children have thrived because of the loving Staff at Stepping Stones, and they truly make our jobs as parents easier. The experienced teachers provide an educational atmosphere that prepares our kids for the future and at the same time, make it so much fun. Our kids never want to come home at the end of the day. Every day we leave for work, and every day we take comfort knowing that Stepping Stones is simply the best at what they do."
