SCHOOL DISTRICT

*Today's Learners. Tomorrow's Leaders*

## Lancer Resources

As a new student/family to our district, we want to ensure that we share the many resources that are available in the Deer Lakes Community.

Throughout the academic school year, the Deer Lakes Community and School District participate in many fundraising activities, holiday events, family support options, and work to identify any other ways that we can better support our students and their families. Below is a list of resources.

Through Deer Lakes School District	
<p><b>Holiday Food Drives</b> During the Thanksgiving and Christmas season, the Deer Lakes Student Support Team and Student Assistance Program collect non perishable items and/or gift cards to help support families during their holiday and break.</p>	<p><b>Financial Assistance (Extra Curricular Activities/Field Trips)</b> DL may have funds to help your child support in these activities. Please identify if your child would benefit from funds to shop at the Elementary Book Fairs and Santa's Workshop.</p>
<p><b>Reduced Lunch Forms</b> Reduced lunch for families that qualify.</p>	<p><b>Bookbags</b> DL receives donations through local agencies.</p>
<p><b>Vision Assistance</b> DLSD partners with the Vision to Learn Program, which is a mobile eye doctor that comes to the school and is also able to provide glasses; All free of charge. This is scheduled through the district and the provider.</p>	<p><b>Clothing Closets</b> This program offers clothing donations that have been provided through the community to our students in need.</p>
<p><b>SEL (Social/Emotional Learning) and SAP (Student Assistance Program)</b> These programs assist in helping students learn skills to support this social and emotional well being, as well as working to connect families to other support options in and outside of school.</p>	<p><b>Winter Clothing</b> The Student Assistance Program helps support families in providing students with gloves, coats, and hats in the winter months.</p>
