LETTER TO PARENTS/GUARDIANS WEEK 6: GO ABOVE AND BEYOND

Dear Parents/Guardians:

As part of JUMP-START! this week, our school is focusing on *going above and beyond*. Going above and beyond requires that everyone do his/her part, plus a little more. Going above and beyond requires that people act responsibly and do their best. If everyone did his/her best, we would rarely encounter the attitude that "It's not my problem," and the world would be a much more peaceful place. Encourage your child to take a risk and go above and beyond in order to achieve a goal. We are often unsure of ourselves and afraid to take a risk to reach a goal. Talk with your child about things he/she would like to achieve.

Fun Family Tips:

- ⦿ As a family, go above and beyond in helping someone out. Give someone a "great day." Maybe you have a neighbor with young children. You can give her a break by preparing a meal for her family or volunteering your family for a night of babysitting.
- ⦿ Point out times when your child goes above and beyond. Praise him/her for these actions!

Thanks, and have a great week!
