FALL 2024

CURTISVILLE PRIMARY CENTER
DEER LAKES SCHOOL DISTRICT

Fall 2024

If your child will be 5 years old by
September 1, 2024 it is time to plan for
Kindergarten in the 2024-2025
school year.

Registration

Deer Lakes School District uses an online student registration program which allows parents/guardians to input student information right from the comfort of their own home, office, public library, or any other web-hosted location. New students of all ages must reside within the school district's geographic boundaries at the time of registration.

Log into our website deerlakes.net. Go under **Schools - Curtisville - Online Registration**

Students who are new to Deer Lakes School District will use the **New Student Online Registration** process. If you already have children in our schools you are already in our student information system. Therefore, after you log into **Family Access**, please select "**New Student Online Enrollment.**"

While completing the student registration, you will be asked to upload attachments of the Birth Certificate, Proof of Immunization, Proof of Residence, Photo ID, Dental and Physical Forms. These documents are **required*** for the start of the school year but may be submitted to the school as you have them available between now and the first day of school. Please begin the student registration as soon as possible so we can begin planning for your child.

*** Students cannot attend school unless these items are received.**

ORIENTATION AND SCREENING - TBA

This will take place in May, details regarding orientation and screening will be shared. At that time, families will be asked to sign up for a time slot.
